A truck-load of tortoises crashed into a trainload of terrapins, it was a turtle disaster.

The middle-aged man approached the very beautiful and sexy woman in the Shot Rite and asked, "You know, I've lost my wife here in the supermarket. Can you talk to me for a couple of minutes?"

"Why?"

"Because every time I talk to a very beautiful and sexy woman my wife appears out of nowhere."

Corporal Jones was assigned to the induction center, where he advised new recruits about their government benefits, especially their GI insurance. It wasn't long before Captain Smith noticed that Corporal Jones was having a staggeringly high success-rate, selling insurance to nearly 99% of the recruits he advised. Rather than ask about this, the Captain stood in the back of the room and listened to Jones' sales pitch. Jones explained the basics of the GI Insurance to the new recruits, and then said: "If you have GI Insurance and go into battle and are killed, the government has to pay \$100,000 to your beneficiaries. If you don't have GI insurance, and you go into battle and get killed, the government only has to pay a maximum of \$6000. Now," he concluded, "which group do you think they are going to send into battle first?"

A wife got so mad at her husband she packed his bags and told him to get out. As he walked to the door she yelled, "I hope you die a long, slow, painful death."

He turned around and said, "So, you want me to stay?"

Boy: "I got an F in arithmetic."

Father: "Why?"

Boy: "The teacher asked, 'How much is 2x3?' and I said '6'"

Father: "But that's right!"

Boy: "Then she asked me 'How much is 3x2?'"

Father: "What the hell is the gat damned difference?"

Boy: "That's exactly what I said!"

Dear DEVILer,

There was a terrible auto accident on Rt. 295. When police officers arrived at the scene, the only thing left from the accident was a human toe.

One officer asked the other, "What should we do now?"

The officer answered, "We call a toe truck."

Hey DEVILER... Put this in your paper! My mother-in-law fell down a wishing well, I was amazed, I never knew they worked. Sid G., Elmer, NJ

My girlfriend said, "I hate it when you finish my sentences." So I said, "Period."

Hey DEVILER... It was just before Christmas, an honest politician, a generous lawyer and Santa Claus all got into the elevator at the Ritz Hotel in New York City. As the elevator travelled from the 5th floor down to the ground level, one-by-one they noticed a \$50.00 dollar bill lying on the floor.

Which one picked up the \$50.00 bill, and handed it in at the hotel receptionist?

And the answer is: Santa, the other two don't actually exist!
