The DEVILer's Annual SHOWs Have 'SOLD OUT' For The PAST 16 YEARS!

PROCEEDS from Show Playbill/Ad booklet Go To: Frank D. Sayre VFW Post #1259 Elmer, NJ

Dear DEVILer, As a Christmas present this year, my daughter bought for me a week of personal training at the local health club. Although I am still in reasonable shape for fifty-five I decided it would be a good idea to go ahead and give it a try.

I called the club and made my reservations with a personal trainer named Pat (a Patrick Swayze look-a-like) who identified himself as a 26-year-old aerobics instructor and model for athletic clothing and swim wear. The club encouraged me to keep a diary to chart my progress. So here it is... I'm sending a copy to you.

Monday: Started my day at 6AM. Tough to get out of bed, but found it was well worth it when I arrived at the health club to find Pat waiting for me. He is really built: six pack abs, a dazzling white smile. Yippee!

Pat gave me a tour and showed me the machines. I enjoyed watching the skillful way in which he conducted his aerobics class after my workout today. Very inspiring! He was encouraging as I did my sit-ups, although my stomach was already aching from holding it in the whole time he was around. This is going to be a FABULOUS week! My New Year resolutions will be easy.

Tuesday: I drank a four cups of coffee, but I finally made it out the door. Pat made me lie on my back and push a heavy iron bar into the air. Later he put weights on it. My legs were a little wobbly on the treadmill, but I made the full mile. Pat's rewarding smile made it all worthwhile. I feel GREAT!

Wednesday: The only way I can brush my teeth is by laying the toothbrush on the counter and moving my mouth back and forth over it. I believe I have a hernia. Driving was OK as long as I didn't use both hands to steer. Pat put me on the treadmill and was impatient with me, insisting that my screams and moans bothered other club members. He said some other shit too.

Thursday: Pat was waiting for me with his vampire-like teeth exposed as his thin, cruel lips were back in a full snarl. I couldn't help being a half an hour late; it took me that long to tie my shoes. That man then took me to work out with dumbbells. When he was not looking, I ran and hid in the restroom. He sent a skinny woman to find me. Then, as punishment, he put me on the rowing machine - which I sank.

Friday: I hate that man, he is a stupid, skinny, anemic, anorexic butt hole. If there was a part of my body I could move without unbearable pain, I would beat the shit out of him. He wanted me to work on my triceps. I don't have any triceps! The treadmill flung me off and I landed on the that skinny bitch that looked and found me on Thursday.

Saturday: Pat the butt hole, left a message on my answering machine in his grating, shrilly voice wondering why I did not show up today. Just hearing him made me want to smash the machine with my planner..... Slept for 11 hours today.

Sunday: I'm having the Church bus pick me up so I can go to services today and thank God that this week is over. I will also pray that next year my daughter (that cruel demon like off-spring of mine) will choose a

gift for me that is fun: like root canal treatment or even a hysterectomy. I still say if God had wanted me to bend over, he would have sprinkled the floor with Tasty Cake Donut Balls!

On Dec. 6th. 2017 ~ 58 Democrats in Congress voted to try to impeach Trump. Rep. Al Green brought the resolution, accusing Trump of being bigoted and racist. The house voted 364 to 58 to table the resolution. Mark Taylor (co-author) of the book, 'The Trump Prophecies', said interestingly that: it was by a 306 margin... Donald Trump won the election by 306 electoral college votes."

Happy New Years! May your life someday be as awesome as you pretend it is on Facebook.
