- **HOW TO GET TICKETS TO: The South Jersey DEVILer's 17th. Annual Comedy Show!** Everything is explained on the back page... But, our annual shows have sold out for the past 16 consecutive years... So, you better get your tickets early!
- **Why you may not have received a Christmas gift this year**. When four of Santa's elves got sick, the trainee elves did not produce gifts as fast as the regular ones, and Santa began to feel the Pre-Christmas pressure. Then Mrs. Claus told Santa her mother was coming to visit, which stressed Santa even more. When he went to harness the reindeer, he found that three of them were about to give birth and two others had jumped the fence and were gone. Then when he began to load the sleigh, one of the floorboards cracked, the toy bag fell to the ground and all the toys were scattered. Frustrated, Santa went in the house for a cup of apple cider and a shot of whisky. When he went to the cupboard, he discovered the elves had drunk all the cider and hidden the liquor. In his frustration, he accidentally dropped the cider jug, and it broke into hundreds of little glass pieces all over the kitchen floor. He went to get the broom and found the mice had eaten all the straw off the end of the broom. Just then the doorbell rang, and an irritated Santa marched to the door, yanked it open, and there stood a little angel with a great big Christmas tree. The angel said very cheerfully, 'Merry Christmas, Santa. I have a beautiful tree for you. Where would you like me to stick it?' And so began the tradition of the little angel on top of the Christmas tree. Not a lot of people know this.... but this is why you didn't get a present this year... Hey... It could have been worse... you could have been the angel assigned to deliver that tree to Santa!

Life is like a coin, you can spend it anyway you wish.

But you can only spend it once.

I think I'm starting to lose my mind.... But as long as I keep the part that tells me when I gotta pee, I should be okay.

Modern Life ~ from the year 2017

You know you're living in the twenty-first century when;

- You accidentally enter your password on the microwave.
- You haven't played solitaire with real cards in years.
- You have a list of 15 phone numbers to reach your family of 3.
- At work you e-mail the person who works at the desk next to you.
- Your reason for not staying in touch with friends and family is that they don't have e-mail addresses.
- You go home after a long day at work and you still answer the phone in a business manner.
- You've sat at the same desk for four years and worked for three different companies.
- Your boss doesn't have the ability to do your job.
- Every commercial on television has a website at the bottom of the screen.
- Leaving the house without your cell phone, which you didn't have the first 20 or 30 (or 60) years of your life, is now a cause for panic and you turn around to go home and get it.
- You start tilting your head sideways to smile. :-)
- For Christmas your wife gave you the new computer watch.
- You get up in the morning and go online before getting your coffee.
- You're reading this Deviler and nodding and laughing.

"Dear DEVILer, I signed up for an exercise class and was told to wear loose fitting clothing. If I HAD any loose fitting clothing, I wouldn't need the freakin' class!" *Lydia H., Williamstown, NJ*
