

A South Jersey Striper Fisherman thought he was gonna need a bigger boat after snagging a 317 pound, 9 foot long sea monster in the Delaware Bay. Captain Willy Yoda, better known as simply, 'Yoda' posted a photo of the bizarre catch to Facebook on March 26th, 2018 with the caption; "What the hell is this?"

He and his fishing partner Frankie Fester was fishing the rips off of Cape May Point when Yoda snagged onto, what he thought, was a record striped bass. The battle went on for over an hour before they got their first glimpse of the monster.

When Yoda's fishing mate Frankie saw the bizarre catch, he reacted by confining himself to the cuddy cabin shouting, "Cut the line, cut the line, cut the line!"

Not to be intimidated, and nearly 30 minutes later, Yoda was able to beach his boat and the monster near Cape May point. He then drug the monster up and onto the shore (seen within).

According to the NJ Fish, Game and Wildlife marine biologist, nothing is known of this species of fish. If it is indeed a fish? The specimen was picked up by the USCG and moved to an undisclosed location.

Yoda was later interviewed by a local newspaper reporter who asked, "What was scariest part of the entire experience?"

"I think it was the shock of seeing it for the first time... those eyes seemed to just look right through you.... and I'm sure that it was that look, that sent my fishing partner into the cabin.

He went on to say that his friend Frankie won't even leave his house after dark, let alone come face to face with a sea monster!

da DEVILer's View: I think Murphy has been smoking too much of the drug he wants to legalize!

Murphy's LAW?

Here are just a few proposed taxes he wants approved:

- ⊙ Sales Tax increase
- ⊙ NJ Income Tax increase
- ⊙ Internet transactions
- ⊙ E-cigarettes
- ⊙ Online-room booking
- ⊙ Ride-sharing
- ⊙ Marijuana
- ⊙ Raising taxes on millionaires
- ⊙ Raising taxes on retail sales to fund a record \$37.4 billion budget.

*A quick look at Phil Murphy's net worth shows that he made just below \$7.3 million in 2015. *** He entered the governor's race early with a lot of money! Murphy has never held elected office.*

This reverses pledges from Murphy's predecessor, Republican Chris Christie, to lower taxes in a state where living costs are among the nation's highest.

The budget includes plans for a four-year phase-ins of a \$15 minimum wage.

There is also rumors of another gas tax increase!?

As a new school Principal, Mr. 'No Name' was checking over his school on the first day. Passing the stockroom, he was startled to see the door wide open and teachers bustling in and out, carrying off books and supplies in preparation for the arrival of students the next day.

The school where he had been a Principal the previous year had used a check-out system only slightly less elaborate than that at Fort Knox.

Cautiously, he asked the school's long time custodian, "Do you think it's wise to keep the stock room unlocked and to let the teachers take things without requisitions?"

The custodian looked at him gravely... We trust them with the children, don't we?" he said.

Hey DEVILer.. I was in a pet store picking up some bedding for my cat when I overheard the following conversation. The cutest little girl peeks over the counter and politely asks the sales representative. "I want to buy a little rabbit."

"Oh sure we've got lots of rabbits" gushed the motherly sales representative. "Do you have any specific color in mind? We've got some adorable white Bunnies down this aisle." The lady exclaimed.

"Oh" said the cute girl with a wave of her hand, "I really don't think my boa constrictor would care about what color it is!"

"I've written several children's books ... Not on purpose." *Steven Wright*

The door bell, rings, and a man answers it. Here stands this plain but well dressed kid, saying, "Trick or Treat!"

The man asks the kid, why are you dressed up for Halloween in April? The kid replies, "I'm an IRS agent." Then he takes 40 percent of the man's candy, leaves, and doesn't say thank you. *Wallace W., New Castle, DE*
