Dear Devil,

Spring has finally sprung... and lookout for insects! I just did a weeks worth of cardio after walking into a spider web!

Gil W., Elmer, NJ

Hey DEVILer,

Last night my wife met me at the front door. She was wearing a sexy negligee. The only problem was that she was coming home.

Johnny B., Gloucester City, NJ

Dear Devil,

I hate school and want to quit! My mom won't let me.. she says that you can't get a good job without education.

But I say... look at Albert Einstein—he quit school at 15 years of age and he still ended up being the first man on the moon!

Denny E., Clayton, NJ

Hey DEVILer,

I would like to fill your sales position. I have references.. I was the best door-to-door security alarm salesman for over 25 years running.

The trick was to just leave a brochure on the kitchen table if there was nobody home.

Ernie M., Brooklawn, NJ

Hey DEVILer,

Did you see the movie about the hot dog? It was an Oscar wiener.

PS: Don't forget! If you publish my funny you have to send me a Devil bumper sticker.

Stacy G., Barnsboro, NJ

Dear Stacy,

Your BS is on its way!

Dear DEVILer,

Today, at the senior home, where I work, we have a singer that's gonna sing Frank Sinatra and those alike. What are they gonna sing when my generation goes to a home? Korn? Snoop Dogg? Lady Gaga?

Lauren C., Pittsgrove, NJ

Dear DEVILer,

My young grandson called me the other day to wish me Happy Birthday. He asked me how old I was, and told him 62.

He was quiet for a moment, and they asked, "Did you start at 1?"

Rose S., Pennsville, NJ

Hey DEVILer,

I checked into the Hokey Pokey Clinic and I turned myself around.

Harry C. Clayton, NJ

Hi DEVILer,

Why does it suck to be a penguin? Because even when you get angry, you still look cute.

Shirley S., Dorchester NJ

Dear DEVILer,

I think that you should use these words of wit in your next issue. "When you do something, give 100%."

Salvador S., Pitman, NJ

Dear Sal,

I hope that you don't mind... But I would like to add to your words of wit... "Give 100% unless you're giving blood."

Hey Mr. Devil,

I read awhile back, in your funny paper that; "For every beer that your drink your life shortens by 2 minutes."

.... Well I did the math.. and you kicked the bucket back in 1971.

Your pal Finnegan of Pitman, NJ

Hey Devil,

I woke up to the emergency alert buzzing on my cell phone. Not having my glasses on, I read the alert as a fast food alert, effective until 11am. OMG!!

After a bit, I decided to put on my glasses. I reread the alert and Ohhhhhhh, it's a flash flood alert. LOL!!

What a relief, I thought it was something serious!!!

Nina R., Westville, NJ

Hey DEVILer,

Why are babies so ugly when they are born?

Oscar P., Ocean City, NJ

Hello Oscar,

You stay under water for 9 months and then squeeze through a straw and see how you look.

Dear DEVILer,

I tried stand-up comedy but I got butterflies in my stomach so bad that I had to leave the stage. How do I stop the butterflies?

Donald R., Williamstown, NJ

Dear Donald,

Stop eating caterpillars.

Tracy had a bad day and stretched out on the couch for some well-deserved self-pity. She moaned to her family, "Nobody loves me! The whole world hates me!"

Without looking up from his phone, her brother said, "That's not true, Tracy. Millions of people don't even know you!"

★We aren't like any other comedy booking agency you may have run across. The owner, Ken Camp has been a stand up comic himself for over sixteen years; he's seen the business from both sides better than anyone else. Ken understands that successful comedy needs to come in many flavors. What works for one club, may not work well in another. Every show is carefully selected to assure a great time! AND, Ken is a business owner; just like you. He understands that comedy has to be profitable for you!

"The paradox of our time in history is that we have taller buildings but shorter tempers, wider freeways, but narrower viewpoints. We spend more, but have less, we buy more, but enjoy less. We have bigger houses and smaller families, more conveniences, but less time. We have more degrees but less sense, more knowledge, but less judgment, more experts, yet more problems, more medicine, but less wellness."
