Hey Deviler,

You look a bit out of shape doing your comedy routine! Why don't you consider jogging?

Bert R., Cedarville, NJ

Dear Bert,

The first time I see a jogger smiling, I'll consider it.

Dear DEVILER,

People who wonder if the glass is half empty or half full miss the point. The glass is refillable.

Bud Y., Franklville, NJ

Dear Bud,

I'll drink to that!

Dear DEVILER,

Today at the bank, an old lady asked me to help check her balance. So I pushed her over.

Mason Q., New Castle, NJ

Dear DEVILER,

I was at the JC Penny's customer-service desk, returning a pair of jeans that was too tight.

"Was anything wrong with them?" the clerk asked.

"Yes," I said. "They hurt my feelings."

Lois A., Blackwood, NJ

Dear DEVILER,

If growing up in the '80s taught me one thing, it's that my friends and I should have found a treasure map by now.

Ida S. Salem, NJ

Dear DEVILER,

I've been a fan of your paper since its inception over 17 years ago. And what really amazes me is how you entertain us with fresh jokes/funnies in every issue. I find writing difficult and could never do it! Keep up the good work for another 17 years plus!

Rusty W., Williamstown, NJ

Dear Rusty,

Writing comedy is easy. All you do is stare at a blank computer screen until drops of blood form on you forehead.

Hey DEVILER,

I just started another diet. So far I've erased food searches from my browser history.

Tubby A., Red Lion, NJ

Dear DEVILER,

My co-worker is so lazy.. For exercise he does Diddly-squats.

James B., Clementon, NJ

Hi DEVILER,

I gotta tell ya... it's been a long hot summer! I moved to South Carolina from Jersey two years ago.

How hot has it been there in Deviler land?

Butch P., Edisto Island, SC

Hello Butch,

Its so hot here that the crackheads are putting the copper back in the air conditioner units!

Dear DEVILER,

I'm writing a joke book and thought you may be interested in hiring me to work for you. As soon as I've finished the book I'll send you a copy. I have the page numbers done, now all I have to do is fill in the rest.

Marty R., Glassboro, NJ

Hey Deviler,

I have a liberal friend that calls the "Ten Commandments" the "Ten Suggestions".

Wesley S. Canton, NJ

Hey DEVILER,

My husband drug me to his bosses retirement party. Everything was fine until host paid me a great compliment. "You are a good-looking woman," he said. "Honest... I've had only one beer."

My glow was further dimmed when my husband (a self proclaimed comedian and avid DEVILER reader) interjected, "Imagine how great she'll look after two."

Francis A., Margate, NJ

Dear DEVILER,

I work as a nurse in an area hospital ER. In came a patient to the ER at 0400 with no complaints.

I asked him what was wrong and he replied, "I have been having chest pains for nearly 3 months now but I am not having chest pain right now. The reason I'm here now is because I heard that 4am is the best time to come cause there are not that many people."

Angel W., Pleasantville, NJ

Dear DEVILER,

Please settle an argument that my husband and I had. Enclosed is a picture of my behind... now be truthful.. do these jeans make my rear end look big?

Jeannie Y., Vineland, NJ

Dear Jennie, "Honestly? Your rear end makes the jeans look big."

A college student who wanted into an advanced course was being interviewed by the admittance committee. The professor asked, "Would you rather answer ten easy questions or one difficult question?"

The student immediately said, "One difficult question."

The professor smiled. He had her! "Young woman, tell me: which came first, day or night?"

The young lady quickly replied, "Day, sir."

The professor grinned, thinking, "I got you!"

He asked, "How?"

The young lady was dismissive. "I'm sorry, sir, but that's a second question!" *Admission secured!*

Dear DEVILER.. My aunt grows most of her spices... Thyme is one of them. One day I was checking out her spice rack and two bottles caught my eye... One was labeled "The Best of Thymes" and the other "The Worse of Thymes".

Labor Day is a glorious holiday because kids will be going back to school the next day. It would have been called Independence Day, but that name was already taken.

Hey DEVILER... I hate being short! Height makes all the difference.

A tall guy walks around with a trench coat on, and he looks like Clint Eastwood or someone cool like him.

I put on a trench coat.... you know what I look like? I look like the Hamburglar.
