Dear DEVILer,

My wife had a really fun time at the National Park Boat Club comedy show that you put on! But if you see me again don't talk to me. My wife thinks that I went deaf 3 years ago!

Sorry I can't leave my name .. wife reads the Devil.

Hi DEVILer,

It's nearly 2019 and my goal for 2018 was to lose 10 pounds and here it is December and I still need to lose 20 pounds!

Tess D., Plainfield, NJ

Mr. Devil,

I've been watching Christmas commercials for two months now and I'm sick of them. When do you think that the Christmas season should begin?

Henry G., Pitman, NJ

Dear Henry,

The holiday season officially starts on the last Friday of November, when the first shopper is trampled at the mall.

Dear DEVILer,

Maybe I'm just an old fashion girl but I miss the satisfactions of slamming the phone down.

Victoria Q., Ventnor, NJ

Hey DEVILer,

I think that Your view on immigration is NOT funny and No Joking matter. I say that if they have children here then they should be allowed to enjoy our country!

Bernice W., Wilmington, DE

Dear Bernice,

Other than immigration, which other laws should not be enforced because the perpetrator has kids here? What if someone drives drunk and runs over one your kids or robs a gas station? Should they Not go to jail so the family isn't separated?

See how stupid it sounds when applied to any other law?

To DEVILer (facebook),

Hey DEVILer, it was certainly a fun party last night! I must have drank 20 beers and a half dozen shots of Crown Royal XO? And even after drinking all that liquor I felt confident to drive, but I acted responsibly and took an Uber.

Jim P. Jr. Pittsgrove, NJ

Dear Jim,

Where did you go in Uber? The party was at your house.

Dear Mr.DEVILer,

I told my grandmom (from Florida) that I wanted a DEVILer bumper sticker for my bike like the one she has on her car. She said that I should send in a funny story to you and you would send me a sticker. I don't think this is funny but she said to send this in. "MY Grandmom gave me \$6.00 for cleaning up stink bugs out of her attic in NJ." She said to send the Bumper Sticker to NJ and not to "God's Wait Room" Florida... where she lives in the winter time.

Rusty O., Medford Lakes, NJ

Dear Rusty,

Your sticker is on its way.

Dear DEVILer,

I told my wife I wanted to be cremated. She made an appointment for me next Tuesday. Should I be worried?

Harry C. Clayton, NJ

Dear Harry,

If I was you I would get my ash out of there! Apparently she is also thinking out of the box.

Dear Devil,

Madonna is 60, her boyfriend is 24. Tina Turner is 80, her boyfriend is 40 JLo is 52, her boyfriend is 26, Mariah Carey is 49, here husband is 32. I'm a 72 year old singer and I don't even have a boyfriend... so what's the deal?

Renee S., Berlin, NJ

Dear Renee,

Hang in there... Your boyfriend has not been born yet.

Dear DEVILer,

It's Renee from Berlin, NJ again. Since my last email I finally have a boyfriend. He's 91 with Parkinson's and lots of money.

On our first date I asked him what 90 year old men wore.... boxers or briefs?

He said depends.

Mr. DEVILer,

I Can't believe my parents voted Democrat during this past election. They would have never done that if they were alive.

Robert A., Dade County, Florida

George Washington with his 12,000 man army had retreated for the winter of 1777 to Valley Forge, snowed in and still fighting a war. He retired one afternoon to his office, and claimed an angel visited him, showing him the three perils, the new nation faced in the future.

1st. Peril: The Angel pointed to both Europe and the United States, whilst between them at sea, a cloud rose, and the President saw two nations fighting, his own, and a European nation. This probably was the Revolutionary War.

2nd. Peril: America was now sprouting new villages and Towns, whilst the angel sprinkled water over these settlements, a dark cloud came over from Africa. And he heard the words, "Union," as the angel laid a split flag across the map of the new nation. This to most of us, could symbolize the first American civil war.

3rd. Peril: the Angel blew a trumpet, sprinkling water over the continents of Africa, Asia, Europe and North America. A dark cloud gathered over these continents, as armies marched through them, and the US was also invaded. The sky lit up to become a hundred 'Suns,' as the angel was reputed to say, "Son of the Republic, look and learn," as the North American invasion fails and the remains of the armies that fought remain victorious, in the ruins of a post-war country.

Just days before Christmas on the 19th. of December, the Continental Army and Washington himself would find a way to reverse the course of the war.

The earliest publication of Washington's visitation was in 1859, 1880, in 1931 and was also printed in THE STARS AND STRIPES, December 21, 1950.
