Do you have or have you ever had BORBORYGMUS?

It is the technical name for the noise your stomach makes when it growls. It occurs when gas moves around in your intestines, so saying that your stomach is rumbling is a bit of a misnomer.

This is Berry Confusing!

A banana is a berry, but a strawberry is not. This is because a "berry" is technically a fruit with three distinct layers - a thick outer one; a middle one containing most of the edible fruit; and an inner one that contains the seeds. The fruit also must come from a flower with only one ovary. By this classification, grapes are berries as well, but strawberries aren't.

DYK? Smoking can cause at least 15 different types of cancer. And nearly 9 out of 10 lung cancers are from puffing away on cigarettes.
Burn those two facts into your head if you haven't yet quit.

Hey DEVILER,

My high-school English teacher was well known for being a fair, but hard, grader. One day I received a B- on a paper. In hopes of bettering my grade and in the spirit of the Valentine's Day, I sent her an extravagant heart-shaped box of chocolates with the pre-printed inscription: "BE MINE."

The following day, I received in return a Valentine from my teacher. It read: "Thank you, but it's still BE MINE-US."

Dear DEVILER,

I have the ability to drive people CRAZY with funny jokes! I don't know if I was born with it, or if I learned it from reading the Deviler. But DAMN I'm good at it!

Hey DEVILER,

The pharmacist asked me my birth date again today. I'm pretty sure he's going to get me something.

Dear DEVILER,

On Valentine's Day last year, my mom texted me, "Enjoy your VD." I texted back; Not the best time to abbreviate, Mom.

Pat E., Quinton, NJ

Hi. DEVILER,

"Great-grandma gave me this money," said my three-year-old, happily clutching a \$20 bill he'd gotten as a present.

"That's right," I said. "How did you know that?"

Pointing to Andrew Jackson's face in the middle, he said, "Because her picture is on it."

Jackie D., Port St. Lucie, FL

Dear DEVILER,

I had a very dissatisfied customer come into my business shouting at my receptionist. "I've been calling 700-1000 for two days and can't get through. Don't you guys ever answer the x#in+k phone?!"

I came out my office to assist and asked the gentleman, "Where did you get that number, sir?)"

"It's on your door!" He answered while pointing at the office door. I politely said, 'Sir, those are the hours that we are open."

Hey DEVILER,

When I finished high school, I wanted to take my graduation money and buy myself a motorcycle, but my mom said no.

See, she had a brother who died in a horrible motorcycle accident when he was eighteen. And I could just have his motorcycle.

Hey DEVILER,

Last night I had a blind date with a beautiful girl, but she was rather thin. I mean, this was downright skinny. She turned sideways, you didn't see her.

I took her to a restaurant and the maitre d' said to me, "Check your umbrella?"

Ward J., Ventnor, NJ

Dear DEVILER,

I have never received a Valentine's Day Card, and that's OK with me. With all the stores blooming in pink and red, we often forget that St. Valentine wasn't the one in love. (He was a Roman priest who married Christian couples and was killed for his trouble.)

Kirstie R., Collings Lakes, NJ

Dear Kirstie,

Thank you for that bit of uplifting history.

Hi DEVILER,

At an all-you-can-eat buffet, my 8-year-old was excited to find a chocolate milk machine. But her aunt did not approve. "Chocolate milk for dinner?" she asked.

"It's really good!" said my daughter.

Her aunt shrugged. "Well, its 8AM, somewhere."

Jamie Q., Deptford, NJ

Hey DEVILER,

Now that I can afford expensive jewelry, it's not safe to wear it anywhere.
