Dear DEVILer,

I hate it when you can't figure out how to operate a computer and the resident tech expert is asleep... Because he's 6 and its past his bedtime.

Tina Y., Pine Hill, NJ

Hey DEVILer,

I would like to correct you on one of your past dissertations. You called Welfare, Food Stamps, WIC, etc. 'Entitlements'. They ARE NOT 'Entitlements'. They are taxpayer-funded handouts, and they shouldn't be called entitlements.

Social Security and Veterans Benefits are Entitlements because the people receiving them are entitled to them because they were earned and paid for by the recipients.

Phillip R., Glassboro, NJ

Dear Phillip,

Thanks for the clarification... I stand corrected.

Dear DEVILer,

I told myself that I should stop drinking... But then I thought, 'Hey, I'm not going to listen to a drunk that talks to himself.'

Zeke G., Middletown, PA

Hey DEVILer,

What was the funniest thing you've ever seen?

Eartha K., Glassboro, NJ

Dear Eartha,

The funniest thing that I ever saw is too funny for words.

Hey DEVILer,

I heard that the new girl working at the liquor store carries a Taser everywhere she goes... What is she like?

Beerbelly Bill., Franklinville, NJ

Hello Beerbelly,

She is stunning!

Dear DEVILer,

My grandmom said that she was born back in B.C.. I don't believe her and said to ask you.

John E., Paulsboro, NJ

Dear John,

And so was the DEVILer born back in B.C. ... Before Computers!

Hey DEVILer,

Now that you can afford expensive jewelry, it's not safe to wear it anywhere.... just sayin'.

Hey DEVILer,

With all this talk about us not having any money to build a wall I suggest that they just take it out of the Congress Pension Fund.

You know, like they did with social security.

John S., of Retreat, NJ

Hey DEVILer,

As a kid I used to watch my favorite movie the Wizard of Oz and wondered how someone could talk if they didn't have a brain. Then I watched Nancy Pelosi argue why we don't need a wall.

Bradley L., North Cape May, NJ

Dear DEVILer,

Just think how only a few short years ago, most Americans blithely accepted as truth whatever the press and our leaders told us. Now we know that, in fact, disturbingly little of what the mainstream media or the politicians tell us is true. And if it is true, they are only telling us the portion of it that furthers their ambitions.

In 2 Timothy 3:13, "Evil men and imposters will grow worse and worse, deceiving and being deceived."

Patrick E., Reading, PA

Dear Patrick,

I agree... Thank God for the internet. With the birth of the internet and the explosion of social media, the curtain has been pulled back on the controlling powers in the world. Their constant and malicious deceptions have been exposed.

Hey DEVILer,

How much longer can you endure Censorship? We older Americans never worried about it in America but it is now being practiced daily.

Socialism is the new hymn of the Democrat Party. The public proclamation of our Christian values is quickly becoming diminished by public acceptance when not so long ago, it was a requirement for public approval.

Fr. Miguel P., Mt. Holly, NJ

Dear Fr, Miguel,

Time will tell....? But until then I'm still abiding by and supporting our Constitution.

After a heavy night at the pub, a drunken man decides to sleep off his drunkenness at a local hotel instead of driving. He approaches the reception desk, takes care of the formalities and heads off to his suite. Several minutes later, the drunk staggers back to the reception desk and demands his room be changed. "But sir," said the clerk, "you have the best room in the hotel."

"I insist on another room!!!" said the drunk.

"Very good, sir. I'll change you from 501 to 527. Would you mind telling me why you don't like 501?" asked the clerk.

"Well, for one thing," said the drunk, "it's on fire."
