Hey DEVILER,

I saw on facebook a lot of people wishing you a happy birthday. So how old were on March 4th?

Terry T., Miami, FL

Dear Terry,

I'm now at the age where I can't take anything with a grain of salt.

But I will say this... I thought that growing old would take much longer than it did!

PS: I'm still accepting gifts and will be until April 20th.. After that... All checks and money order gifts will be returned.

Hey DEVILER,

So much for my New Years resolution! The closest I've been to a diet so far this year is erasing food searches from my browser history.

Big Bertha., Clarksboro, NJ

Dear Bertha,

Thanks for the update....

Hey DEVILER,

I'm sick and tired of being told; "Don't worry, I'll hold your stuff. You just worry about making friends."

Brenda P., Franklinville, NJ

Dear DEVILER,

I'm convinced that God has a sense of humor. If you don't believe me, tomorrow go to Walmart and just look at people!

Ashley C., Bridgeton, NJ

Dear DEVILER,

On Facebook you have thousands of friends... How did you get that many friends ... are you that popular?

Aaron C., Woodbine, NJ

Dear Aaron,

How I do it, is by spending time sitting in my underwear drinking Rolling Rock beer, clicking accept over and over again.

Hey DEVILER,

I just got a pacemaker put in but it was one of those Obamacare units. It doesn't work very well, because every time I fart the TV channel changes.

Vince R., Vineland, NJ

Dear DEVILER,

My wife went into the butchers and said: "You've a pig's head in your window."

The butcher said: "That's a mirror."

Hey DEVILER,

I'm writing a book in fifth person, so every sentence starts out with: "I heard from this guy who told somebody ..."

Fillmore W., Elmer, NJ

Dear Fillmore,

Good luck with that.

Dear DEVILER,

My 5 year old son noticed that another one of our dogs was getting fat. He announced, "I think that Queenie is full of puppies!"

Maria W., Middletown, DE

Hey DEVILER,

Do me a favor and ask your farmer friend what he plants to grow seedless watermelons?

Margie R., Red Lion, NJ

Hey DEVILER,

Summer is just around the corner.. What are your Summer plans?

Betty Z., Port Norris, NJ

Dear Betty,

This summer, I'm going to go to the Fortescue beach and bury metal objects that say, "Get a life" on them.

Dear DEVILER,

Did you hear about the oyster who went to a gym and pulled a mussel?

Sean E., Langhorn, PA

Hey DEVILER,

What is so hard about writing comedy? I find most of the stuff you write in the Deviler hilarious!

Harris P., Mt. Laurel, NJ

Dear Harris P.,

Writing comedy is easy.. It's getting up on stage and telling a joke that kept you laughing all day only to have it receive total silence.

Dear Deviler,

Wow, you're a real history buff.. You must have aced American history when you were a kid.

I'm trying hard to pass but there is so much of it to learn!

Butch G., Franklinville, NJ

Dear Butch,

I guess it was easier for me? When I was a kid there was so little of it.

This is the best April Fools joke of all time:

Get dressed in all white... White shirt, white pants, white shoes... And don't forget to wear a halo... you can purchase one at any costume store.

Now you're ready for the joke... go to the airport and stand in front of a person who is waiting for their flight. Stare at them until they notice you there. When they look at you, just say, "Don't get on that flight" and walk away.

Imagine them telling their boss... "I can't make it today boss because an angel told me not to get on the flight." Britney W., Pensacola, FL
