Hey DEVILer,

I have a wish to be like a caterpillar.... Eat a lot, Sleep for a while, Wake up beautiful.

Lauren C., Pittsgrove, NJ

Dear Lauren,

You got it... your wish has been approved.

Hey DEVILer,

Why don't you stick this in your paper! I know you're pro gun... and it was just released that gun owners probably have a trillion rounds of ammunition... Don't you think that is a problem?

reader Betty A., Boyertown, PA

Dear Betty,

You are referring to Legal Gun Owners... And no.. I don't think that is a problem... If it was a problem, you'd know it.

Hey DEVILer,

I just read that when you eat a lot of spicy food, you can lose your taste. I think that it is true? When I was in India last summer, I began listening to Rap music.

George M., Calverton, NY

Hey DEVILer,

"People always name their kids famous names now. Well, I was in Red Lobster the other day and the woman serving me was called 'Umm.. Danon (8)'"

Aleshia C., Barnsboro, NJ

Hey DEVILer,

I heard you perform some of your jokes at the Summit City Winery and I'm sure that you're nuts! Why are you not confined?

Andy C., Pitman, NJ

Dear Andy,

If you're nuts and you make people laugh, they won't lock you up. Just been lucky so far?

Hey DEVILer,

When did your parents know that you were to grow up to be a comedian?

Vince R., Vineland, NJ

Dear Vince,

My Dad knew I was going to be a comedian at birth. When I was a born he said, 'Is this a joke?'

Dear DEVILer,

Glad to hear that your sinus surgery went well.. They have top notch doctors at Jefferson Hospital.

I went to my doctor and asked him to give me something for

persistent wind. He gave me a kite. My doctor is very old fashioned. When he gives you an injection you have to bite on a bullet.

Hey DEVILer,

Did you ever stop to think that maybe oxygen is slowly killing us and it just takes 75-100 years to fully work?

Phillis W. Williamstown, NJ

Dear DEVILer,

According to the old saying... What are the wages of sin?

Kevin L., Mariton, NJ

Dear Kevin,

If you are referring to Romans 6:23 the wages of sin is death. If you're referring to the wages of sin is in Atlantic City.. \$500 would be a good night.

Dear DEVILer,

You are BAD! You shouldn't say bad stuff about illiterate people. I for one don't think that its funny!

Honey R., Trenton, NJ

Dear Honey...

You're worse.... You're reading the bad stuff to them.

Hey Deviler,

Here is my 2 cents for this issue: What could be more unpleasant than a cold seat in a public restroom?

Harriet B., Richland, NJ

Dear Harriet,

A warm seat in a public restroom?

Hey Deviler,

My doctor asked me if I'm having trouble in the bedroom. I told him that my wife wants me to put up crown molding and two coats of paint. Think I should?

Eddie V., Melbourne, FL

Dear Eddie,

If the Queen wants crown molding give her crown molding. It would be cheaper than paying the consequences.

Hey DEVILer,

I come from a very large family. I still haven't met two brothers that sit down at the other end of the table.

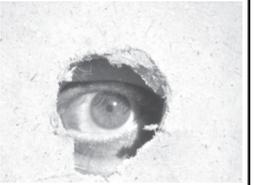

Mom died 8 years ago, but she still gets junk mail, now I know what they mean by Bed, Bath, and Beyond.

Hey DEVILer, My grandfather owned a hotel in Philadelphia. I was told that he was a peeping tom, he use to drill holes in the floor and spy on the people in the rooms below.

He passed away a few weeks ago but I kind of like thinking about him up there somewhere..... looking down on us.

Hank T., Kensington, PA

Live for the week-ends and that's all you'll ever have.

There was a little boy who was acting up something horrible. His mother warned him if he didn't stop, she was gonna have to give him a whippin'!

Well, he kept on misbehaving until his mom finally said, "That's it!" and she proceeded to give him the spanking of his life.

The little boy went crying all the way upstairs, ran into his mom's bedroom, stood in front of her full-length mirror and dropped his britches. After taking one look he went, "Hmph!" Then he marched straight back downstairs and to his mom and announced, "Boy, I sure hope you're happy! You cracked it!"
