Hey Deviler dude... When I was a kid I used to hate getting picked for team sports in school. It would be the fit and sporty kids over there. And me and the fat kids over here.

I gotta tell ya man, that those kids were freakin' fat! One girl had to be cut out a hula hoop" *You can still call me Cubby B., Elm, NJ*

Hey DEVILer... Tell your ventriloquist friend *Gemini* that I've saw a topless lady ventriloquist in Atlantic City. There was not a man there that saw her lips move!

Yo Deviler, Ever drive down the Rt. 55 and a trooper gets up behind you? Then everybody goes two by two behind him. He's like the NJ state pace car. Then he gets off at the exits and we're back to green flag racing! *Carlos R., Deptford, NJ*

An old high school buddy says, "what up with your sister?"
He says, "Well my sister's in the regular army."
His buddy says "What do you mean the regular army, how could your sister be in the regular army?"
He says "Well she puts her hair up under the hat and she straps herself down and then she wears men's clothes."
His buddy says, "Well... at night, she's got to take her clothes off, take the hat off and they'll see the long hair and they'll see the way she's built. They'll go in the shower together... Someone is going to find out"
He says "Yeah but whose gonna tell."

Hey DEVILer... I moved here from England about 10 years ago. Thank you for writing such a funny funny paper! It really helped me adjust to your culture.
Like, I went into a local meat shop and the butcher said, "Have a nice day" and I didn't... so I sued him. *Melvin B., Clayton, NJ*

"An intellectual snob is someone who can listen to the William Tell Overture and not think of The Lone Ranger." *Dan Rather*

Welcome to Viet Nam
My wife and I visited Ho Chi Minh City. We decided to stay at an economy hotel and the manager said, 'You want room with running water?'
I said, 'What do you think I am? A fish?'
He didn't get it! *Ray and Alice S., Galloway, NJ*

Two brooms were hanging in the closet and after a while they got to know each other so well, they decided to get married. One broom was, of course, the bride broom, the other the groom broom. The bride broom looked very beautiful in her white dress. The groom broom was handsome and suave in his tuxedo. The wedding was lovely.
After the wedding, at the wedding dinner, the bride-broom leaned over and said to the groom-broom, 'I think I am going to have a little whisk broom!'
"IMPOSSIBLE!" said the groom broom indignantly. "WE HAVEN'T EVEN SWEEPED TOGETHER!"
A guest broom who overheard the conversation said, "Sounds to me like she's been sweeping around."

A man is talking to the family doctor, "Doc, I think my wife's going deaf."
The doctor answers, "Well, here's something you can try on her to test her hearing. Stand some distance away from her and ask her a question. If she doesn't answer, move a little closer and ask again. Keep repeating this until she answers. Then you'll be able to tell just how hard of hearing she really is."
The husband goes home and tries it out. He walks in the door and says, "Honey, what's for dinner?" He doesn't hear an answer, so he moves closer to her. "Honey, what's for dinner?" Still no answer. He repeats this several times, until he's standing just a few feet away from her.
Finally, she answers, "For the tenth time, I said we're having PORK CHOPS!"
