**Dear Devil,**

I trained my dog Bud to fetch beer. That may not sound too impressive, but he gets them from my neighbor's fridge.

**Oscar N., Pilesgrove, NJ**

**Hey DEVILer,**

After working at it for nearly three weeks, I've decided to quit my job as a personal trainer because I don't feel I'm fit enough for the job...

I've handed in my 'Too Weak' notice

**Barney F., Glassboro, NJ**

**Dear DEVILer,**

What a day I had today. Today was a bit strange to say the least!

First, I found a hat full of money. Then, I was chased by an angry man with a guitar.

**Julian E., Philadelphia, PA**

**Dear DEVILer,**

It was a wife/husband talk and I told her that I wanted to be cremated. She made me an appointment for Monday.

**Oscar W., Haddonfield, NJ**

**Dear DEVILer,**

My wife yelled from downstairs in the cellar and asked, "Do you ever get a shooting pain across your chest, like someone's got a voodoo doll of you and they're stabbing it?"

Me being concerned I replied, "NO...."

She responded, "How about now?"

**Reader Carl K. of Greenwich, NJ**

**Mr. DEVILer,**

I said to my wife, "I need to call the doctor today."

"Which doctor?" she asked.

"No, the regular kind."

**Claude W., Dover, DE**

**Dear DEVILer,**

I'm 74 years old and I ran twice today. At our age we need our exercise... Don't ya think?

**Dale E., Hopwell, NJ**

**Dear Dale,**

I also ran twice today... First, I ran out of Rollin' Rock beer, and yesterday I ran to the liquor store to get more.

**Hey DEVILer**

Shouldn't the Pyramids be torn down since they were built by slaves? Perhaps it would be better to get rid of rap music that promotes violence and hate.

**Horace A., Bear, DE**

**Dear DEVILer,**

I do believe that the police SHOULD be defunded and the ALL those Civil War statues be torn the hell down... Now, stick that in your paper!

**Malcom M., Philadelphia, PA**

**Dear Malcom**

Sure... erase Our History??? FYI: In 1933 Hitler appointed Hermann Goring 'Minister of the Interior'. His first orders were to defund and eliminate police departments so that they would not interfere with his Brown Shirts whose mission it was to riot, burn, beat up, and kill citizens in an effort to sway the elections.

I have a better idea— Maybe it's the people like you and not the cops, that need better training?

Furthermore, if the police are going to be defunded, so should welfare, food stamps and free medical care. If you don't need police, you can take care of yourself on every level.

**Dear DEVILer,**

I was at the mall the other day and witnessed a 6 or 7 years old cuss-out his mother or some lady that was trying to correct him. What is the problem with our kids today?

**Gina R., Marlton, NJ**

**Dear Gina,**

The problem is simple, kids today don't know the fear of hearing leather being rapidly pulled through seven belt loops of a pair of work pants.

**Hey DEVILer,**

If masks work why didn't we just give masks to prisoners instead of releasing them back into our communities?

**Dear DEVILer,**

Tell your fellow Americans that If I was alive I'd bitch slap all them for allowing this shit to happen!

Tell them to grow a pair of balls and take back your government!

**George Washington, Mount Vernon, VA**

**Dear DEVILer,**

I've been home schooling my 7th. grade level 18 yr. old son since March. Yesterday the dumb ass called me on my cell phone and said that he missed the bus and wouldn't be attending school today.

**Hailee S., NJ**

**Dear DEVILer,**

This pandemic seems to be going on forever! If my kids aren't allowed to go back to school in the fall I may be attending the state hospital.

When will it all end?

**Hailee S., Cape May CH., NJ**

**Dear Hailee,**

Hang in there girl... This too shall pass... It might pass like a kidney stone, but it will pass.

**Hey DEVILer,**

Remember how cold it was last winter...? It was one of those days in the 20s and I had taken my 91 year old father to Shop Rite.

At the check out line... He was all bundled up for the cold and his gloved hands were having trouble retrieving and counting the exact change.

The transaction evidently was taking too long for the woman behind him in line and she muttered a curse.

My dad stopped counting, turned around and looked her in the eye and said,, "You'd better be quiet or I'll write a check.. you old fart!"

**So How HOT has it been?**
