Dear Deviler,

I ate much too much over the holidays and now I think that I'm always hungry! What should I do to satisfy this hunger without gaining 20lbs.?

Edna R., Ventnor, NJ

Dear Edna,

Do this... If you think you're hungry, you might just be thirsty? Have a bottle of wine first and then see how you feel.

Hey DEVILER,

I love it when they drop the ball in Times Square on New Years... It's a nice reminder of what I did all year.

reader Louie L., Lexington, KY

Mr. DEVILER,

I usually send in my News Year resolutions but so far this year my wife still hasn't told me what my resolutions are?

Jay H., Cape May, NJ

Hi, DEVILER,

Time to visit grandma and grandpop during the holidays!

I say "Get in the car." My kids hear, "Now's a good time to poop."

The worst is when they just wander around the house aimlessly, as if time has no meaning and all shoes come in singles. Can you relate?

Wanda Q., Linwood, NJ

Hey DEVILER,

While wandering inside a pet store, I stopped in front of a birdcage to admire a parakeet. We watched each other for a few minutes before it asked, "Can't you talk?"

reader Harry E., Pensacola, FL

Hello DEVILER,

(pre-pandemic Chinatown, Philly)

After finishing our Chinese food, my husband and I cracked open our fortune cookies. Mine read, "Be quiet for a little while." His read, "Talk while you have a chance."

Anette R., Collingswood, NJ

Dear DEVILER,

"Has your diet changed?" I asked an 91-year-old man I was admitting into the hospital. "Yes," he said. "I gave up ice cream, beer, and smokin'.... and look where it's gotten me."

Nurse Betty C., South Jersey, NJ

Hey DEVILER,

As I entered the elevator at the hospital, an unorganized and untidy - looking man rushed in behind me carrying a ceramic blue baby bootie filled with Carnations.

I smiled knowingly and asked, "Does he look like you?"

"I hope not," he said. "I just deliver flowers."

Marion D., Mays Landing, NJ

Hey DEVILER,

I'm now in senior high school, so when I ran into my Junior high school teacher, I doubted he would remember me. "Hi, Mr. Smith," I said.

"Hi, Michael," he replied.

"So you do remember me?" I asked. "Sure, you don't always leave a good impression, but it is a lasting one."

Michaela V., Atlantic City, NJ

Dear DEVILER,

A strip club shut its doors in response to COVID-19. A billboard outside announced: SORRY WE'RE CLOTHED!

Froggie K., Muncy, PA

Hey DEVILER,

What's the best thing about Switzerland?

reader Marky W., Pitman, NJ

Dear Markey,

I don't know, but their flag is a big plus.

Mr. DEVILER,

I don't get any respect... I was alone in an casino elevator when a girl stepped in with a phone pressed to her ear. "I have to go," she told the person on the other end. "There's a cute guy standing here."

Before I could react, she turned to me and said, "Sorry for lying. I just wanted to end that conversation."

Ronnie F., Philadelphia, PA

Dear DEVILER,

My grandpop always comes up with these old superstitions like, having an itchy palm means that you'll be getting money. Is this true?

Samantha T., Milford, DE

Dear Samantha,

Yes, if you have an itchy palm your going to get something. And if you have an itchy crotch you already have it!

Hey DEVILER,

I have always wanted to have my family history traced, but I can't afford to spend a lot of money.

Any suggestions?

Virgil R., Camden NJ

Dear Virgil,

Yes, run for public office.

Hey DEVILER,

What are you going to do New Years Eve?

Oliver Z., Medford Lakes, NJ
Dear Oliver,

I going to stay up New Year's Eve not to see 2021 come in, but to be sure this year leaves !"

ATTENTION VETERANS WELCOME BACK To The OBAMA YEARS!

Biden's nominee to lead the Dept. of Veterans Affairs, Denis McDonough, was among the most controversial picks. He is NOT a veteran/has very little experience in veterans affairs and is a longtime aide of Obama. Veterans groups say they were not consulted until after the pick.

Additionally, Obama's VA Secretary, Robert McDonald, had repeatedly tried to blame problems at the VA on Congress, and personally attacked members of Congress who questioned the progress of reform at the VA. Obama has nothing to be proud of in regards to his record at the VA. It's a fact that the Obama-Biden Administration Failure Killed More Americans Than COVID-19.

Gung-ho originated from a catachresis of Chinese. The term was picked up by USMC Maj. Evans Carlson from his New Zealand friend, Rewi Alley, one of the founders of the Chinese Industrial Cooperatives. Carlson explained in a 1943 interview: "I was trying to build up the same sort of working spirit I had seen in China where all the soldiers dedicated themselves to one idea and worked together to put that idea over. I told them of the motto of the Chinese Cooperatives, Gung Ho. It means Work Together — Work in Harmony."

Remember that not getting what you want is sometimes a wonderful stroke of luck.

WHY AREN'T WE TOLD ABOUT THIS?

Do you suppose that it would eliminate the Big Eye Glass Industry in the USA? EYE GLASSES HAVE A MARK UP OF +1000%

DYK? That Israel is one of the leading countries in technology, medicine and innovation. DYK Israeli scientists have discovered how to fix your eye vision and restore it to 20/20? They have developed revolutionary nano eye drops that could replace your glasses. This may replace glasses, contacts and laser eye correction surgery.
